Link to MCAQD Rules, federally enforceable re Rule 320 Odors:

https://www.maricopa.gov/aq/divisions/planning_analysis/rules/docs/320-0307.pdf

Link to definitions, see 200.9 and 200.10

https://www.maricopa.gov/aq/divisions/planning_analysis/rules/docs/100-1602.pdf

Also attached is the latest air permit for Hickman's Tonopah. Condition #1 regards odors. The Hickman's Arlington facility has essentially the same permit. Only recently did the MCAQD make the facility get a permit for the rotary dryer where the raw manure

is heated/dried.

Thanks,

Steve Brittle
